Dr. Shri Upendra Kushwaha ji,

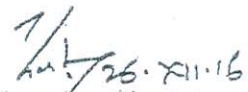

This is regarding adherence to the guidelines on the issue of responding to letters received from the Members of Parliament (MPs).

2. Guidelines laid down in the Central Secretariat Manual of Office Procedure (CSMOP) for handling the communications received from the MPs specify that such communications should be attended promptly and acknowledged within 15 days, followed by a reply within the next 15 days of the acknowledgement sent. In cases where delay is anticipated, an interim reply should be given, indicating the possible date for a final reply. This is to ensure that prompt attention is given to the communications received from the MPs. Guidelines further specify that appropriate record should be maintained and monitored in respect of communications received from the MPs.

3. The Prime Minister's Office has been receiving references from some of the MPs that they are not receiving timely acknowledgement and responses from the Ministries/Departments in response to their letters. I would be grateful if you could issue suitable instructions to ensure prompt reply to the letters of the MPs and also like to consider setting up of a mechanism to periodically monitor progress in disposal of references received from the MPs. In this regard, it is also suggested that all letters received from the MPs should be immediately scanned and uploaded in e-office. This system will facilitate electronic monitoring of disposal of letters received from the MPs.

With best regards,

Yours sincerely,

(Dr. Jitendra Singh)
