To Whom it may concern,

Hello, my name is Arpita and I'm a student of Class X in DPS Guwahati. I am writing this to appreciate the wonderful effort that has been done to make the new Civics book. It is a really wonderful book and so much more easier to understand than last year's book. When I read the book I can actually see the things happening around me. It has been so beautifully written. I thank you all very much for making this book and subject so much interesting. Thanks a lot.

With regards,  
Arpita Bhuyan
