Introduction

Book Reviews aims to identify the books published recently on all the subjects relevant to NCERT.

Book Reviews have been selected from Learned Periodicals & Newspapers received in LDD during the month of July, 2012.

Book Reviews are arranged under broad Subject Headings. Details about the Author, Title, Place of Publication, Name of Publisher, Year, Pages, Price, ISBN followed by analytical review with exact reference to periodicals in which reviewed appeared. It will be our endeavour to bring out this Book Selection Reference Tool.

Book Reviews will be useful to our faculty members in selecting / recommending relevant books for our library and also to keep abreast of latest publications in their specialization.

We eagerly await to receive your views and comments.
