

Table 1: Themes of National Science Exhibitions – now called JNNSMEE

Sl. No.	Year	Venue	Theme
1.	1979	Mumbai	Science and Village
2.	1981	Bangalore	Science in our Environment
3.	1982	Kolkata	Science and Community Development
4.	1983	Lucknow	Science and Technology for Productivity
5.	1984-85	Udaipur	Indigenous Technology and Development
6.	1986	Guwahati	Science and the Home
7.	1987	Jabalpur	Science and the Quality of Life
8.	1988	Jammu	Water and Man
9.	1989	Hyderabad	Science and Man
10.	1990	Patna	Nehru and Science
11.	1991	Cochin	Science and Village
12.	1993	Madras	Science in 2001 A.D.
13.	1995	New Delhi	Science and Conservation of National Resources-1994 & Science and Health for all –1995
14.	1996	Bhubaneswar	Science and Low Cost Technology for Development
15.	1997	Gurgaon	Science and Technology for Quality of Life
16.	1998	Amritsar	Science and Technology in Information Age
17.	1999	Rajkot	Science, Technology and Environment
18.	2000	Alto-Porvorim (Goa)	Science and Technology to Meet the Challenges of Life.
19.	2001	Allahabad	Science and Technology for Development
20.	2002	Hyderabad	Science & Technology for Society
21.	2003	Dehradun	Science, Indigenous Technology and Sustainable Development
22.	2004	Ranchi	Science and Technology in the Changing world
23.	2005	Raipur (Chhattisgarh)	Recent Trends in Science and Technology.
24.	2006	Pune (Maharashtra)	Science and Technology for Rural Development
25.	2007	Puducherry	Science and Technology for Sustainable Development
26.	2008	Solan (H.P.)	Science & Technology and Planet Earth
27.	2009	Kolkata (WB)	Science and Technology for Global Sustainability
28.	2010	Jaipur (Rajasthan)	Science, Technology and Society
29.	2011	Patna (Bihar)	Science and Technology for Challenges in Life
30.	2012	Silvassa (DNH)	Science, Society and Environment
31.	2013	-	Science and Society
