The cell has developed various resource materials such as Primer titled *UJAAS* in four volumes, *Margdarshika*, worksheets, assessment items, video programs based on primer, audio program on critical life skills, promotional material such as jingle, documentaries, flyers, monograms, informative booklet etc. Moreover, it also envisions developing synergy with and building upon the existing expertise in developing various resource materials, covering as well, the areas of Vocational Skills Development, Basic Education and Continuing Education, such as detailed guidelines, handbook, audio-video programs, story books, posters, pamphlets, monographs etc. while working towards achieving the goal of 100% literacy as recommended by NEP 2020.

The cell works in accordance with Ministry of Education’s program – ***Nav Bharat Saksharta Karyakram*** (New India Literacy Program) designed and developed for implementation during FYs 2022-27. *Nav Bharat Saksharta Karyakram* provides an opportunity to attain Foundational Literacy and Numeracy through Critical Life Skills and paves way for the learner to perform varied tasks in daily life, ranging from carrying out basic financial transactions, being aware of one’s own right to communicate and comprehend public information, etc. Apart from daily life tasks,

another most important opportunity which the learner gets through Education for All is to pursue employment in medium or high productivity sectors that require literacy. In addition, the cell also engages in the capacity building of various stakeholders such as students, teachers and teacher educators to enable the smooth implementation of the scheme.
