

National Council of Educational Research and Training (NCERT) announces

Diploma in “Teaching of Science at Middle Stage (Classes 6-8)”

What is this course about?

A MOOC for science teachers

This is a completely online course, primarily aimed for teachers dealing with Science at the middle stage (classes 6-8) in schools. The purpose of this course is to help in professional development of a large number of pre-service and in-service teachers to become reflective and competent practitioners. The course consists of multimedia based interactive learning materials. The course provides in-depth yet flexible learning opportunities to anyone interested in teaching-learning of science at middle stage. Each module starts from the basics and attempts to develop learner's understanding upto a significant conceptual depth.

**बैचलर ऑफ साइंस (बी.एस.) डिग्री और
देशभर में 6-8 कक्षाओं में विज्ञान पढ़ाए जा रहे शिक्षकों के लिए
एन सी ई आर टी द्वारा ऑनलाइन के माध्यम से
एक मासिक डिप्लोमा में शिक्षण विज्ञान के मध्यम
चरण (कक्षा 6-8) के लिए**
