## **ORIENTATION, WORKSHOPS, REFRESHER COURSE, TRAINING-09**

### **RESEARCH GUIDANCE-16**

The academic supervision record includes successful guidance of postgraduate and doctoral research. A total of nine dissertations have been awarded, comprising eight as the main advisor and one as a co-advisor. In addition, seven doctoral theses have been successfully awarded, including five guided as the principal advisor and two as a co-advisor, reflecting sustained engagement in research supervision at advanced levels.

### **RESOURCE PERSON--03**

The individual has actively contributed to national-level academic programmes and professional development initiatives. They served as Co-Coordinator of the seven-day

National Workshop on Research Methodology organized by the Allahabad School of Education, SHUATS, in collaboration with MNNIT, Allahabad, held from 23–24 August 2017, and the seven-day National Workshop on Construction and Development of Psychological Tests conducted by the Allahabad School of Education, SHUATS, Allahabad, from 21–26 November 2022. Additionally, they delivered sessions on the topic *Emotional Intelligence* as part of the Certificate Course on Personality Development Programme organized by the Department of Business Studies and Commerce, SHUATS, Allahabad, on 30 November 2023.

**ACADEMIC/ADMINISTRATIVE RESPONSIBILITIES:**

Served as the B.Ed. Coordinator at SHUATS University for two academic years (2018–19 and 2021–22) and as the M.Ed. Coordinator for the academic year 2023–24. Since 2023, I have also been functioning as the Ph.D. Co-coordinator, a role I continue to hold until 2025. In addition, I have been an active member of several institutional committees, including the examination paper moderation committee, Environment Conscious Cell, Placement Cell, and Co-curricular Event Cell, and have contributed to the setting and moderation of B.Ed. and M.Ed. examination papers. I have further coordinated two seven-day national-level workshops at SHUATS University—one on Research Methodology in collaboration with MNNIT and another on the Construction of Psychological Tools—thereby contributing to capacity building and research enhancement among faculty members and research scholars.
