

Rationalised Textbooks

The content in these textbooks was rationalised for 2022-23. The same textbooks are continued for 2023-24.

Rationalised Textbooks

The uploaded textbooks are rationalised in view of COVID 19 with an objective to reduce the content load. These are same textbooks which were implemented in 2022-23 with the details on rationalised content published with every textbook. Criteria for rationalisation is published in the preliminary pages of every textbook.
