

Corrigendum
National Council of Educational Research and Training

Subject: Corrigendum regarding Class XII Political Science Textbook

In view of the representation received from stakeholders, particularly a letter from Shiromani Gurdwara Parbandhak Committee regarding withdrawing objectionable content against Sikh Community by misrepresenting Sri Anandpur Sahib Resolution.

In this regard, a committee of experts was constituted by the NCERT to examine the issue. The Committee examined the same and as per its recommendation, following changes have been incorporated in Chapter VII -Regional Aspirations (Rationalised Class XII Political Science Textbook- Pg. 123)-

From the last sentence of the third paragraph under the sub-heading 'Punjab' the line'...but it could also be interpreted as a plea for a separate Sikh nation' is dropped. Just before this line, the given statement is rewritten as 'The Resolution was a plea for strengthening federalism in India'. In the same section (Sub-heading 'Punjab'), from the last sentence of the fourth paragraph, '... and the creation of Khalistan' is dropped.

The soft copy of class XII Political Science Textbook with changes is uploaded on the NCERT's website.
